MindCORE Research Fellowship for Post-doctoral Scholars

MindCORE (Mind Center for Outreach, Research, and Education) seeks to recruit outstanding postdoctoral researchers for our Research Fellowship for Post-doctoral Scholars. Housed within the School of Arts and Sciences of the University of Pennsylvania, MindCORE is an interdisciplinary effort to understand human intelligence and behavior.

Designed for individuals who have recently obtained a Ph.D. degree in psychology, linguistics, neuroscience, philosophy or other cognitive science discipline, the MindCORE Fellowship is a springboard for young researchers as they establish their own research program. Fellows are also encouraged to pursue collaborative research with faculty working across disciplines at Penn.

Benefits

Fellows receive a competitive salary and health insurance plus a modest research budget. Fellows also benefit from access to the greater community of academics including visiting scholars plus leading research facilities equipped with cutting-edge instrumentation all on an urban campus in a vibrant city. Fellows are invited to join regular working group meetings within their field plus career development workshops aimed at young researchers, and will be provided with a mentoring committee. Funding is provided in one year terms renewable for up to three years.

Eligibility & Application

- Applicants must have formally completed all requirements of the PhD degree and provide a copy of their diploma at the time of appointment. Candidates must submit 1-2 page research statement that identifies potential collaborative opportunities with MindCORE faculty at Penn, along with a CV and contact information for two referees. Email complete application packets to pennmindcore@sas.upenn.edu
- Applications will be reviewed beginning January 2, 2019, continuing until positions are filled.

Selection

All eligible and complete applications will be evaluated by the Selection Committee and are judged on the following criteria:

- Scientific excellence
- Scientific match and interdisciplinarity
- Career potential

MindCORE seeks to award 2 post-doctoral Fellowships per year. Positions may start as early as July 1, 2019. Questions? Contact pennmindcore@sas.upenn.edu

Penn adheres to a policy that prohibits discrimination on the basis of race, color, sex, sexual orientation, gender identity, religion, creed, national or ethnic origin, citizenship status, age, disability, veteran status, or any other legally protected class. Background check required after a conditional job offer is made. Consideration of the background check will be tailored to the requirements of the job.
