Notes: 1. People born after 2484 B.E.:

a) Record age from this table.

b) If born between January and month of interview, always add 1 to the age in this table.

2. People born before 2484 B.E. and born between January and month of interview: don't add 1

3. People born in 2483 had only 9 months (April-December). For

January to March becomes people born in 2484

Table comparing months
in case the respondent gives month of birth as
lunar month, use this table to compare standard
months and record in questionnaire.
